## TRANSFORMATIONAL LEARNING

Thank you for considering studying at Asia Pacific International College (APIC). With a range of higher education providers to choose from, you have taken a decisive step in the right direction by reading this Course Prospectus.

At APIC we aim to meet the needs and aspirations of individuals, and of organisations that seek to employ the best available talent. The next decade will see dramatic changes in how we work, and APIC courses are designed to prepare students to meet the challenges that this rapid evolution will pose.

As Nelson Mandela said, "Education is the most powerful weapon which you can use to change the world". At APIC, we equip students with key skills for lifelong success by providing transformational learning experiences that are active, collaborative and applied.

APIC curriculum is underpinned by core professional competencies concerning professional and ethical behaviour and communication. In a world where the only certainty is change, investing in an education that prepares you to be innovative and flexible is essential. Beyond the individual, education is a positive force for development, crucial to the future of all organisations, communities and countries.

Thank you for considering APIC. We are committed to working with you on your educational journey.

## RECOGNISED HIGHER EDUCATION PROGRAMS

Asia Pacific International College (APIC) is a dynamic Australian Higher Education Institution offering undergraduate and postgraduate degree courses. APIC's courses are accredited by the Tertiary Education Quality and Standards Agency (TEQSA) (www.teqsa.gov.au).

APIC has recently become an endorsed member institution of the Australian Institute of Project Management (AIPM).

APIC is a member of the Global Business Education Network, the Association to Advance Collegiate Schools of Business (AACSB International), the Australian Council for Private Education and Training (ACPET) and the Council of Private Higher Education (COPHE).

The Bachelor of Business has a sequence of study that is recognised by CPA Australia and Chartered Accountants Australia and New Zealand (Chartered Accountants ANZ). For more information go to our website: www.apicollege.edu.au/courses/ undergraduate/bachelor-of-business-2/.

## BENEFITS OF STUDYING AT APIC

Why should you choose APIC? The answer is simple, APIC offers many opportunities that support students to realise their talent and achieve their goals. At APIC we are about individuals and their preparation to succeed in the rapidly changing world of work. We aim to build our students' capabilities so that they can thrive in a rapidly changing and globalised world. At APIC, you will learn to be self-directed, professional, confident and competent.

#### **OUR PROGRAMS ARE:**

#### ACCREDITED

Programs are reviewed and accredited by the Australian national regulator (TEQSA). APIC is formally registered by the Australian Government to provide higher education award courses to students.

#### RELEVANT

APIC courses are reviewed by industry experts and experienced senior academics to ensure they remain relevant to best practice and to emerging business and organisational trends.

## ONLINE

Our postgraduate programs in project management can be completed online to make it easier to fit study around your schedule. Please contact APIC's Student Services Team for further details.

## EXPERIENTIAL & REFLECTIVE LEARNING

Develop critical thinking through real life projects, and case studies.

#### QUALITY

At APIC we pride ourselves on the academic rigour of our programs. Learn from highly qualified academic staff and industry experts.

#### FLEXIBLE

Vary your study load over the scheduled study periods each year.

## STUDENT SUPPORT SERVICES AND FACILITIES

#### **Student Services Team**

APIC is proud of its friendly and supportive Student Services team who offer a great service and experience to all students.

Student Services not only provides administrative support for students but also handles many of the day-to-day enquiries about enrolment, timetables and important dates and provides help with submitting forms and other applications.

#### **Academic Enhancement**

APIC provides a range of face-to-face and online academic skills support services for APIC students. Our learning advisors provide services in a range of formats, inside and outside the classroom, in-person and online via the APIC Online Learning System (OLS), telephone, and Zoom.

#### **Academic Consultation**

The College aims to provide the best quality education to all students to set them on the path to success. All students are able to see their lecturers and tutors on a regular basis, and to make appointments for additional consultation and assistance.

#### **Careers and Employment**

If you are not sure which course or program suits your needs and aspirations, please contact our course advisory service to arrange a free confidential consultation. Our advisors can provide you with information to help you decide about the study pathway that best suits you.

For undergraduate courses: www.apicollege.edu.au/courses/undergraduate/ For postgraduate courses: www.apicollege.edu.au/courses/postgraduate/

#### Accommodation Services and Assistance with living in Australia

2Stay Accommodation is a service that works with accommodation providers to meet the accommodation needs of students who are newly arrived in Australia. APIC students can access the service through contacting 2Stay Accommodation directly. Please visit the 2Stay Accommodation website for more information.

#### 2Stay Accommodation can also assist you with the following:

- Arranging airport pick-ups and drop-offs (fees apply).
- General general advice about living in Australia

#### **Counselling Services**

APIC offers a free counselling service to students. It is available on campus for Sydney students and by telephone and email for Sydney and Melbourne students. The counsellor has expertise working with international students. Melbourne students can also be referred to an independent counsellor, www.apicollege.edu.au/counsellor-on-campus/

The counselling service provides support for students who are experiencing difficulties such as stress and anxiety, relationship issues, financial problems and feeling unable to cope. The counsellor is there to listen and provide support which could include referral or appropriate information. The counselling service is confidential and no one will be advised that you have accessed it, unless you have given permission for this.

#### **Disability Services**

APIC's campuses are accessible to students with disabilities. The College provides reasonable adjustments for students with disabilities.

#### **Integrated Learning System**

APIC provides an integrated Online Learning System, through which students can communicate and collaborate with each other, access course materials and resources, and interact with their teacher.

#### Library and Learning Space

APIC has physical libraries on both the Sydney and Melbourne campuses with comfortable and welcoming areas for studying. APIC also provides access to a comprehensive online library of journals and scholarly work.

#### **Campus Facilities**

APIC campuses provide students with communal and social areas, libraries with quiet study areas, computer labs and an unlimited high speed wireless internet service.

#### **Health Care & Insurance**

International students are required to take Overseas Health Cover (OSHC) during their stay. APIC assists students with information about registered OSHC providers. Alternatively, students can visit the Department of Health website (www.health.gov.au) for information.

#### Working While You Study

International students can work up to 40 hours per fortnight on a casual basis during course time, and full-time during vacation periods.

#### **Tuition Protection**

APIC tuition fees are covered by the Australian Government's Tuition Protection Service (TPS). The TPS is an initiative of the Australian Government to protect international students where education providers are unable to fully deliver their course of study. For more information about the Tuition Protection Scheme, please visit: www.tps.gov.au.

#### **Blended Learning**

Each unit of study has a dedicated online space within the APIC Online Learning System to complement the on-campus learning experience, with study materials and resources, discussion forums, and assignment submission dropboxes.

## LIVING IN SYDNEY OR MELBOURNE

A WORLD OF EXCITING OPPORTUNITIES Asia Pacific International College has campuses in both Sydney and Melbourne, two of the most cosmopolitan and vibrant cities in Australia. Sydney is known for its beautiful harbour city setting and city precincts; including the Opera House, Darling Harbour and The Rocks. There is so much to see and do, but if you want to unwind and relax, Sydney is also home to Manly and Bondi beaches, parks and lakes to visit. Melbourne is a food, shopping, and sporting mecca, with fantastic restaurants and cafes at your doorstep. The Melbourne calendar is full of major sporting and cultural events, including the Australian Open Tennis and Formula 1 Grand Prix. If you would like to get out of the city for a weekend, both Sydney and Melbourne provide wonderful options only a few hours' drive from city centres.

More information can be found at www.destinationnsw.com.au and www.visitvictoria.com.

#### **SYDNEY - Short breaks**

- Blue Mountains World Heritage site
- Hunter Valley vineyards, beautiful countryside
- South Coast whales, dolphins and penguins

#### **MELBOURNE – Short breaks**

- Mornington Peninsula gardens, spas, wellbeing
- Yarra Valley fresh produce and wines
- Philip Island penguins, wildlife

Sydney and Melbourne are both thriving metropolitan centres, and most head offices of Australia's major corporations are based in one of these cities. Australia's key job opportunities are concentrated on the east coast, and both cities frequently appear on annual lists of the world's most liveable cities.

#### **Studying and Living in Australia**

For information on studying and living in Australia, visit www.studyinaustralia.gov.au.

This comprehensive site includes everything you need to know about living in Sydney or Melbourne; including accommodation, working, health, and transport, as well as fantastic information about Australia's states and regions.

#### **Student Living Costs**

The Australian Department of Immigration and Border Protection provides useful information on Student Visa Living Costs (http://www.border.gov.au/Trav/Stud/More/ Student-Visa-Living-Costs-and-Evidence-of-Funds).

Upon arrival, international students should have a minimum of AUD\$2,000, in addition to the monthly average, to cover the initial cost of a laptop computer and establishment expenses, such as rental bond payment and basic furniture items.

Please note that students can bring up to the value of AUD\$10,000 into the country without any declaration. Any additional money over this amount must be declared to the Border Services at the airport.

## COURSE INFORMATION

APIC offers undergraduate courses of study specialising in the areas of Business and Business Information Systems, and Post Graduate courses in Project Management. General course information can be found in this section, and specific course information in the pages that follow. For all course details, please visit: www.apicollege.edu.au/courses

#### **Technology Requirements**

Every student is expected to have a laptop computer and access to an internet connection, for self-directed study and to complete online quizzes and other assessments.

#### **Calendars and Fees**

For the latest information on course fees and academic calendars, please visit: www.apicollege.edu.au/courses

#### **Award of Credit**

APIC has an approved policy regarding the awarding of credit and the recognition of prior learning (RPL). Candidates wishing to apply for credit and/or recognition of prior learning should refer to the information provided on the APIC Website when preparing and submitting their applications. For further information see: www.apicollege.edu.au/courses/applying The academic entry requirements for APIC courses are set out below according to the Australian Qualifications Framework (AQF) level of the course.

Where English is not an applicant's first language, or where the qualifications are from institutions where the delivery of the program was not in English, applicants are required to demonstrate their proficiency in English by achieving the English entry level in an internationally recognised English Language examination as detailed for the relevant programs below. (refer English language requirements for undergraduate entry, and English language requirements for postgraduate entry).

Applicants who do not meet APIC's English proficiency requirements can be made a conditional offer, with the requirements to complete an approved intensive English language course and to meet the required standard prior to their commencing their APIC award course study.

#### Postgraduate Masters Degrees (AQF LeveL 9)

The following admission criteria apply to all courses at APIC that lead to the award of an AQF Level 9 qualification. Additional English language requirements for international students are provided below at English language requirements for postgraduate entry.

Applicants must have successfully completed a Bachelor Degree (AQF 7) or higher awarded by a recognised university or higher education institution, in any discipline.

#### **Graduate Diplomas and Graduate Certificates (AQF Level 8)**

The following admission criteria apply to all courses at APIC that lead to the award of an AQF Level 8 qualification. Additional English language requirements for international students are provided below at English language requirements for postgraduate entry.

Applicants must have:

- successfully completed a Bachelor Degree (AQF 7) or higher awarded by a recognised university or higher education institution, in any discipline; OR
- successfully completed an Associate Degree or Advanced Diploma (AQF 6) awarded by a recognised university or higher education institution, in any discipline, AND
- have at least two-years full-time managerial and/or professional work experience in a related field; OR
- a minimum of three-years full-time managerial and/or professional work experience in a related field; OR
- a minimum of five-years full-time general work experience in a related field.

Applicants who do not meet the entry requirements for the Masters Degrees and who successfully complete a Graduate Diploma will be eligible to progress to a Masters Degree.

#### **English language requirements for postgraduate entry**

All applicants from a non-English speaking background applying to any postgraduate course at APIC must satisfy the following additional English language requirements:

- IELTS Academic: Overall band score 6.5 or higher with no band below 6.0 in writing and speaking; OR
- IBT (Internet-based TOEFL): Overall score 79 with a writing section minimum of 21 and speaking 18; OR
- Cambridge Certificate of Proficiency in English (CPE): Overall score 180, writing and speaking 180; OR
- Cambridge Certificate of Advanced English (CAE): Overall 176 with a writing and speaking section minimum of 169; OR
- PTE Academic Module with score over 58 with a writing and speaking section minimum of 50.

#### **Bachelor Degrees (AQF Level 7)**

The following admission criteria apply to all applicants to courses at APIC that lead to the award of an AQF Level 7 qualification. Additional English language requirements for international students may be required for undergraduate entry.

Applicants must have successfully completed:

- Year 12 in Australia with a minimum ATAR of 65; OR
- the equivalent to an Australian Year 12 at a recognised overseas institution with an equivalent minimum ATAR of 65; OR
- a Certificate IV or higher awarded by a recognised higher education/vocational; OR
- a General Certificate of Education Advanced Level (GCE A) with three or more C Grades; OR
- a Global Assessment Certificate with an average Grade of 65% or higher; OR
- an International Baccalaureate.

#### Diplomas (AQF Level 5)

The following admission criteria apply to all applicants to all courses at APIC that lead to the award of an AQF Level 5 qualification Additional English language requirements for international students may be required for undergraduate entry.

Applicants must have successfully completed:

- Year 12 in Australia with a minimum ATAR of 55; OR
- the equivalent to an Australian Year 12 at a recognised overseas institution with an equivalent minimum ATAR of 55; OR
- a Certificate IV (AQF 4) or higher awarded by a recognised higher education/vocational institution; OR
- a General Certificate of Education Advanced Level (GCE A) with three or more D Grades; OR
- a Global Assessment Certificate with an average Grade of 55% or higher; OR
- an International Baccalaureate.

#### **English language requirements for Undergraduate entry**

All applicants from a non-English speaking background applying to any undergraduate course at APIC must satisfy the following additional English language requirements:

- IELTS Academic: Overall band score of 6.0 or with no band below 5.5 in writing and speaking; OR
- IBT (Internet-based TOEFL): Overall score of 65 with a writing section minimum of 21 and speaking 18; OR
- Cambridge Certificate of Proficiency in English (CPE):Total score of 169 or over and with no band below 162 in writing and speaking; OR
- Cambridge Certificate of Advanced English (CAE): Total score of 169 or over and with no band below 162 in writing and speaking ; OR
- PTE Academic Module with score over 50 with writing and speaking minimum of 42.

## UNDERGRADUATE COURSES IN BUSINESS

#### **Diploma of Business**

CRICOS code	085156K
Units of Study	8
Duration:	
Domestic students	2 - 6 semesters
International students	2 semesters

The purpose of the Diploma of Business is to produce graduates who are capable of performing a range of business tasks, while displaying readiness to develop further in key areas of business; such as accounting, management and marketing.

The course provides the fundamental knowledge, theory and skills required when embarking on a business career. The course aims to develop the following skills and knowledge:

- Fundamental knowledge of the legal environment and accounting requirements;
- Professional development and sustainable business practice skills;
- Skills to analyse business functions, particularly marketing, finance and human resource management.

Students completing the Diploma of Business can either gain entry level employment with a multitude of organisations, or obtain credit to complete the Bachelor of Business at APIC. Alternatively, graduates can seek entry with credit into a range of bachelor degree programs at Australian or internationally recognised universities. In short, completion of the Diploma of Business can open up multiple opportunities for young graduates to pursue courses and programs in business, accounting, finance, commerce, law, IT and economics.

#### **Bachelor of Business**

CRICOS code	085157J
Units of Study	24
Duration:	
Domestic students	6 - 12 semesters
International students	6 semesters

The Bachelor of Business (BBus) is an innovative and comprehensive degree program conforming to the Australian Qualification Framework (AQF Level 7). The course focuses on accounting and finance, and covers the fundamentals of business, combined with considerable knowledge and skills in leadership and project management. The Bachelor of Business has been designed to lay the foundation for students to develop skills and competencies in business and financial management, project management, communications and relational management. Because of the range of knowledge, skills and perspectives obtained in this program, graduates may be able to join a range of employers, including multi-national companies, government agencies and non-profit organisations.

## **UNDERGRADUATE** COURSES BUSINESS IN INFORMATION SYSTEMS

#### **Diploma of Business Information Systems**

CRICOS code	085158G
Units of Study	8
Duration:	
Domestic students	2 - 4 semesters
International students	2 semesters

The Diploma of Business Information Systems has been designed as a foundation qualification which equips students with the fundamentals of information systems in business enterprises in a practical manner. It allows students the opportunity to progress to further study and gain up to 1 year credit to study the Bachelor of Business Information Systems at APIC, or a variety of other bachelor degree programs.

The course objectives are summarised below:

- Learn the basics of business information systems to develop your career as an Information Systems Professional through further studies or relevant professional development programs;
- Learn the basics of business and management in a coherent and meaningful manner;
- Learn the basics of business law;
- Enhance your academic and study skills;
- Develop a good understanding of real life business and information management challenges; and
- Familiarise yourself with the extent of studies needed to develop your career in this field.

#### **Bachelor of Business Information Systems**

CRICOS code	085159G
Units of Study	24
Duration:	
Domestic students	6 - 12 semesters
International students	6 semesters

The Bachelor of Business Information Systems (BBIS) was developed after an extensive research and consultation period to better understand the needs of business and industry, and ensure that graduates will be well equipped to meet those needs. As part of the process, the College held dialogue with a wide variety of individuals and business leaders, leading academics and professional bodies. The aim was to understand what skills, knowledge and capabilities are needed in the current business context, and those which will be essential in the emerging global economy in an era of transnational mobility. As a graduate of this program you will gain:

- Analytical and problem solving skills;
- Specific knowledge and expertise in business information systems;
- Expertise in business, and project management;
- Skills to participate in the planning, creation and delivery of business endeavours and initiatives;
- Enhanced leadership, communication and presentation skills; and
- A sound understanding of dynamics of industry, government and global business.

## POSTGRADUATE COURSES IN PROJECT MANAGEMENT

#### Graduate Certificate in Project Management (GradCertPM)

CRICOS code	066176G
Units of Study	5 (5 Core units)
Duration:	
Domestic students	2 - 6 semesters
International students	2 semesters

The objective of the Graduate Certificate in Project Management is to develop the skills and knowledge to assume roles in the planning, delivery and management of a range of projects within government, business and industry. All studies are focused on projects in the selected industry contexts. The main purpose of the program is to impart new perspectives that shift the thinking focus of students and practitioners from a normative to a transformative state. It will also embed the concepts of sustainability as a dimension of managerial decisions and processes.

#### **Entry Requirements**

For entry requirements for postgraduate study at APIC, please refer to page 13 of this brochure.

#### Structure

#### Semester 1

FOCUS:	Leadership and management including project scoping, planning, estimating and best pratices

#### Graduate Diploma of Project Management (GradDipPM)

CRICOS code	066177G
Units of Study	7 (7 Core units)
Duration:	
Domestic students	2 - 6 semesters
International students	2 semesters

The objective of the Graduate Diploma of Project Management is to develop the skills and knowledge for students to assume roles in the planning, delivery of complex projects in a range of industry settings. It will also embed the concepts of sustainability as a dimension of managerial decisions and processes. Project Managers need to think strategically and demonstrate mastery of managerial perspectives that can optimise the project value and aid the achievement of triple objectives. We apply an integrated business and project development approach that has due emphasis on the delivery of the project business case and achievement of triple objectives of financial, performance and environment.

#### **Entry Requirements**

#### Master of Business and Project Management (MBPM)

CRICOS code	077591B
Units of Study	12 (8 Core units + 4 Electives)
Duration:	
Domestic students	3 - 9 semesters
International students	4 semesters

MBPM graduates will acquire knowledge and competencies of contemporary project, and portfolio management, as well as leadership and high level professional skills and attitude. The course focuses on the enhancement of specific professional capabilities, knowledge an competences, undertaken in a combination of coursework and research; and the acquisition of leadership and communication skills needed to lead and deliver complex projects. The emphasis is placed on the development of strategic and business expertise associated with projects and organisations. MBPM candidates undertake research that immerse them in the application of latest concepts and techniques, and provide them with fresh perspectives, values and competencies to lead complex projects.

#### **Possible careers**

Graduates may gain employment in various positions within the project management industry. They may work locally and internationally, in a wide range of areas including manufacturing, construction industry, finance, management and environmental consultancy. For up-to-date information on courses, including fees and intake dates, please visit **www.apicollege.edu.au/courses** 

# HOW TO APPLY

#### Choose your course

Visit www.apicollege.edu.au/courses to view all of the courses offered at Asia Pacific International College. Academic calendars and fees are also detailed here.

02

#### **Prepare your documentation**

Once you have selected your course, click on Entry Requirements to find out which document you need to supply.

#### Apply Online

On the APIC home page, select Apply Online from the Quick Menu and complete the information required.

### 04

03

#### Accept your Letter of Offer

If your application is successful, you will receive a Letter of Offer, which will include all the relevant information you need to know about your course of study.

Once you accept the Letter of Offer, a deposit will be required. You will then receive an electronic Confirmation of Enrolment (eCoE).

05

#### (International Students only) Apply for your visa

International students must apply for a student visa from their host country before arriving in Australia. For further information, please visit www.border.gov.au/

06

#### (International Students only) Prepare to travel!

Once your visa has been granted, you can book your flights and research accommodation. APIC can offer assistance with accommodation and airport pickup, through our partner organisation 2Stay: www.2stay.com.au. Please contact us if you would like us to assist you with your accommodation in Australia.

We are committed to working with you in your educational journey and to ensuring that your investment adds value to your life and career.
